# A Letter to Mrs. Ralph

Dear Mrs. Ralph:

You are the most Adjective Noun in the whole school. Every time of day you greet us with a smile. Exclamation! You teach us so much! We've learned about Adjective noun and Adjective noun. We really enjoyed our field trip to place where we Adverb verb, past tense all over the Noun. We love dancing Adverb with you. You have so much energy, you remind us of famous athlete. We are so glad you are our teacher. We hope you have a very Adjective Valentine's Day!

Sincerely,

The kids in Room 1
