# Valentine's Day Party

Today we celebrated Valentine's Day at school with a           Noun          . We played a lot of           Adjective           games and ate a lot of great           Noun          . We           verb ending in ed           out our Valentine's cards to our friends. It was a           Adjective           day.

We were having a lot of fun until a           insect           got into our punch bowl.           teacher           tried to get it but then the punch           verb ending in ed           all over the floor.           student           slipped on the punch and           Verb - Past Tense           into           student          .           student           food went           Verb - Present ends in ING           through the air and landed right on           teacher           head.

Everyone started laughing so Mrs.           teacher           told us to quiet           direction           and get in our           Noun - Plural          . The janitor came in and cleaned up the mess so we could finish our snack. After he was done, we finished getting our snack and we listened while Mrs.           last name of a student           read us a           Noun          .

Today was a lot of fun, and I hope that my teacher was able to get all of the food out of her hair.
