un dragon

The

Deep in the lived a dragon.							
Every hundred years he wakes up. He is very							
"I want some breakfast," he said.							
He went down the mountain to the village.							
He saw a boy. "Yum, a boy for breakfast!"							
"Don't eat me!" said Sia. "I'll give you some food."							
Sia took the dragon to his							
He ate plates of chicken and rice.							
"I'm still hungry," said the dragon.							
Sia gave the dragon more food.							
He ate plates of noodles and sausages.							
He was still hungry!							
They went to the							
The dragon ate twenty meatballs and fifty fish balls with							
twelve plates of sticky rice.							
After that he ate puddings and a cake.							
He was still hungry!							
They went to the shop.							

dragon ate all the fruit and <u>Noun - Plural</u> : <u>Noun - Plural</u> and
