# Poem About Seasons

Just a poem I wrote about the seasons

Oh, the seasons, the           Noun           of           Noun          

Coming one by           Number           every year

Each           Verb - Present ends in ING           its own           Adjective           personality

That           Verb - Present ends in S                     Adverb           enough for the whole world to           Verb - Base Form          

Winter, the           Adjective - Ends in EST           one of all

The time that           Verb - Present ends in S           fall

Very           Adjective           weather, full of rain and snow

Though my least favorite season, winter can be           Adjective          

Spring, the image of Mother Nature at her           Adjective - Ends in EST          

The           Adjective - Ends in EST           season where           Noun - Plural                     Verb - Base Form           to their

          Adjective - Ends in EST          

My favorite season of           Noun          ,           Noun          ,           Noun           and           Noun          

Oh, the           Noun           of winter makes me feel           Adjective          

Summer, the hottest time of the year when Mother Nature           Verb - Present ends in S           down at us from above

          Verb - Present ends in ING           us with her           Noun          ,           Noun           and           Adjective           love

A season that I           Adverb                     Verb - Base Form           with an           Adjective                     Noun          

The

time of my birth, \_\_\_\_\_ of schools, and \_\_\_\_\_ of water \_\_\_\_\_

\_\_\_\_\_

Autumn, the time of \_\_\_\_\_ color changes in \_\_\_\_\_

The time of year to \_\_\_\_\_ your \_\_\_\_\_ for all things

The weather is a \_\_\_\_\_, \_\_\_\_\_ temperature

Fall is an \_\_\_\_\_ time for all \_\_\_\_\_ of \_\_\_\_\_

As you can see, every season has a \_\_\_\_\_ meaning

\_\_\_\_\_ meanings way beyond our \_\_\_\_\_

They \_\_\_\_\_ the \_\_\_\_\_ of life, and the \_\_\_\_\_ of time

Which season is your favorite? Summer and spring are mine!
