# American Idol Auditions

I am watching season \_\_\_\_\_ of American Idol, and I think all the contestants are \_\_\_\_\_!

Right now they are showing the auditions. There are \_\_\_\_\_ judges this year, including \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_. Last night they showed auditions that took place in \_\_\_\_\_.

My favorite contestant was \_\_\_\_\_, who came in wearing a \_\_\_\_\_ article of clothing \_\_\_\_\_. He/She started playing the \_\_\_\_\_ and singing \_\_\_\_\_, and the judges were

hooked! \_\_\_\_\_ said he/she plays the \_\_\_\_\_ and has a \_\_\_\_\_ voice! Other singers were more \_\_\_\_\_, for example a guy named \_\_\_\_\_

who walked into the room with a \_\_\_\_\_ on his head. The song he sang was \_\_\_\_\_.

\_\_\_\_\_ made a face and covered his/her ears for \_\_\_\_\_ seconds straight. I could tell he/she was trying not to \_\_\_\_\_. \_\_\_\_\_ told him it was the \_\_\_\_\_

choice of clothes he/she had ever seen, and \_\_\_\_\_ percent of the notes were out of tune. Needless to say, he is not going to Hollywood! But I saw \_\_\_\_\_ people make it that day, and I hope \_\_\_\_\_

\_\_\_\_\_ will win!
