"What do you have in mind?"

"Just trust me and hold this" says Cecilia as she hands Josh the Clothing they had bought together just a few days ago.

"What am I suppose to do with this? Crawl in and hide?" laughs Josh as Cecilia begins to chant.

"bird, fish, rat, ox, dog, fish, bird, snake" Cecilia then pressed her hands outward allowing a beam of light to shoot from them.

Josh tumbles backwards immobilized as Cecilia begins to get dressed not paying him much attention at all. Josh finds that he is only able to look up at her as she casually gets dressed and yells out that she will be right there.

Then all at once, Josh begins to feel the room getting wider and his body getting lighter. He tries to get Cecilia's attention but he can only look up at her back as she wiggles into her pants.

By the time Cecilia turns back around Josh finds himself lying flat on the ground. He keeps trying to lift his arms and kick his legs, which it feels like he is doing, but nothing is happening.

Josh shockingly watches Cecilia pick him up and walk over to her bed. What is going on he tries to sputter out, but it's like nothing is coming out of his lips.

Cecilia smiles down at him as she drops him onto the floor. The moment Josh hits the floor he can feel Cecilia spreading his body apart, before a single thought can enter his mind the gargantuan image of Cecilia's
