Funny Vocab Story

Alfonzo began to chortle as he <u>verb-Paet Tense</u> the acid slowly corrode his neighbors boat. He put a lot of forethought into his action. He felt malice against his neighbors <u>Contunction</u> wanted them to suffer. <u>Prover Noun</u> did this <u>Preposition</u> the dead of night so there would be no need for a subpoena. It was a fluke that he found the acid in science class and could sneak it home. It was mostly because the teacher had gone through the chemicals to cull <u>Article</u> ones he didn't need. The neighbors used their boat like a dredger, so it was already worn away a little. But it was only a dinghy. <u>Pronoun</u> took it out onto the inlet every day, while Alfonzo sat in his skiff and watched <u>Adverb</u> and unnoticed. The next time they went out, they would be in for a <u>Advectore</u> surprise.
