Fatheads

Facebook has removed a "feeling _____" emoji from its website after its presence caused a backlash from a group that said it promoted "_____."

" We've heard from our community that listing 'feeling _____' as an option for status updates could reinforce negative _____ image, particularly for people struggling with eating _____," a Facebook spokeswoman wrote. "So we're going to remove 'feeling _____' from the list of options. We'll continue to listen to feedback as we think about ways to help people express themselves on Facebook." (RELATED: Change.org Petition Wants Facebook To Remove 'Feeling Fat' Emoticon)

The eliminated emoticon, or "emoji," showed a smiling _____ sporting a _____ chin. While not directly suggesting that being _____ was _____, it still _____ the _____ of Catherine Weingarten and the group _____ Bodies. Weingarten launched a petition on Change.org in late February coincide with National Eating _____ Awareness Week, writing that the the image was "not OK" and "encourag[ed] negative _____ image among _____." Such negative _____ images, she argued, could contribute to _____ disorders such as _____.
