# THE MISSING KEY

one day not so near as yesterday but not as far as a long time ago \_\_\_\_\_  
Name of a person went to go to his  
basement to go get the key to the \_\_\_\_\_  
Location but when he got there there the key was gone,he wondered  
were it went because no one else had access to his house in 5 years so he went to investigate around the  
\_\_\_\_\_  
Location mr.hillomser saw foot prints around the house leading to the barn when he got to the barn the  
door was open he went to check on the \_\_\_\_\_  
Animal but when he got to the pasture the \_\_\_\_\_  
Animal were  
gone were will he find the \_\_\_\_\_  
Animal he hurried back to the house and dialed the mystery hunters number  
they said they would be there as soon as they can when they got there they asked mr.hillomser to tell them the  
whole story so he did so the mystery hunters said they would try there best to save mr.hillomsers farm and all of  
a sudden mr.hillomser heard a gun shot by the shack the \_\_\_\_\_  
Animal plural got shot who is doing this mr.  
hillomser said  
  
they found the key but no sign.
