The Magic Easter Egg

Once upon a time, I found a magic egg. It was a magic Easter egg delivered by the Easter Animal. I'd just started my Easter egg hunt when I saw something hidden behind the giant maple Noun in my backyard. I walked slowly over to the Same Noun and as I got closer, I could see this Adjective, Adjective, perfect egg. This was the most Adjective egg I had ever seen! It was covered in Springtime Noun of pink and blue, some yellow stripes and green polka-dots. I carefully picked up the egg, pulled back its Adjective, bright wrapping and noticed something. "It's made of Noun!" I exclaimed. The best magic Holiday egg of all. Have you ever seen a magic Easter egg?
