Happy Birthday Mr. Lew!

Mr. Lew is the most Adjective teacher I have ever had. He is Adjective and always Adjective. I love when we Verb - Base Form in his class. He is turning 30 years old this weekend!

To celebrate he will jumping with his family. I bet for his birthday he wants a car. I hope he gets to eat lots of lamb. Mr. Lew's birthday cake will probably be chocolatey and taste very toasty. I hope Mr. Lew's birthday is totally chill!
