My Autobiography

I was born on October 12th 2003. 364 days later, on October 11th 2004, my fist _____ Noun was put down because of _____ Adjective _____ Noun. It was a sad but happy birthday the next day.

At first, I liked _____ Noun, but a few years later, I suddenly stopped liking it. After that, I started liking _____ Noun, _____ Adjective-Pizza type to be specific, and even later on, I started liking _____ Adjective-Pizza type _____ Noun. I started video games at the early age of _____ Determiner-Number. That got me really hooked at about _____ Determiner-Number, which makes me a _____ Adjective _____ Noun expert now. I also got extremely hooked in reading since I started that at a relatively early age too.

In _____ Year, I moved to _____ Proper Noun and started kindergarten there. I stayed there until _____ Number-Ends With rd or th grade, which is when we came back. I had really liked it over there and my friends where _____ Adjective, so it was a _____ Adjective-Emotion separation. Then, I restarted _____ Number-Ends With rd or th grade here, in Canada as to be with _____ Noun - Plural my age and make my _____ Proper Noun-Language a little bit better.

Right now, I am _____ Verb - Present ends in ING this text on Wednesday 15th of April 2015.
