To the Dearest Couple

Dear Lauren and Erik,

As I sit here to write a letter to you both, I thought I would list the things that I love about you two.

The two of you together are like Noun - Plural in a Noun. Your constant respect and admiration for each other makes me Verb - Base Form.

I can't wait to see you grow old together and to see what your Noun - Plural will look like.

I wish you both many years of Noun and Noun. I hope your love for each other grows and that not even the largest Noun could hinder your commitment.

I want you both to know that I will always be here in case you need Noun or even just a Noun.

Sincerely,

Your Name
