A day at volleyball

Today at volleyball my friend named served an serve it went so
But mine was better it went just barely over the net which is good. And then
we played some games like endless queens, pressure serving, dead fish and enough of
Noun - Plural lets talk about Verb - Present Tense a.k.a passing you need to be in ready position then
wrist and hand then straight and simple and ball those arms something like that. Me and judy had so much fun
fell to the floor laughing like a it was weird. then i tried to verb someone but behind
them i started to laugh Adverb and she turned around i was caught. i had a
day at volleyball
