The Road Not Taken by Robert Frost

TWO roads _____ Verb - Past Tense _____ in a yellow wood,

And sorry I could not _____ Verb - Base Form _____ both

And be one _____ Noun _____, long I stood

And looked down one as far as I could

To where it bent in the _____ Noun - Plural _____;

Then took the other, as just as _____ Adjective _____,

And having perhaps the _____ Adjective _____ claim,

Because it was grassy and wanted wear;

Though as for that the _____ Verb - Present ends in ING _____ there

Had _____ Verb - Past Tense _____ them really about the same,

And both that _____ Noun _____ equally lay

In leaves no step had trodden black.

Oh, I kept the first for another day!

Yet knowing how way leads on to way,

I _____ Verb - Past Tense _____ if I should ever come back.

shall be telling this with a sigh

Somewhere ages and ages hence:

Two roads diverged in a _____Noun_____, and I--

I took the one less _____Verb - Past Tense_____ by,

And that has made all the difference.
