Bedtime Story

Once upon a time, there was an Adjective Noun called male.

male wanted a girlfriend or boyfriend called person one really badly, and so one day, he hopped into his Mode of transport and made his way towards Location.

In there, he decided to buy a few gifts for First Name of a Person. He bought her a colour pencil, some delicious Noun - Plural and a bouquet of Noun - Plural. But the problem was, how would he get to person one?! She lived so far away in the other side of the Location!

He decided he would have to way of travelling all the way to the other side of the same as previous location.

He was Adjective!

He didn't think he'd have the Noun to do it.

But he did.

person one looked into his colour eyes when he arrived, kissed him and took his gifts graciously.

They got married in a building and Susan wore a Adjective colour dress. They had Number quite Adjective children and lived happily ever after. They even got a pet

Animal!
