# Yertle The Turtle by Dr. Seuss

On the far-away island of Sala-ma-Sond,

Yertle the           Noun           was king of the           Adjective          .

A nice little pond. It was           Adjective          . It was neat.

The water was warm. There was plenty to eat.

The turtles had           Noun - Plural           turtles might need.

And they were all happy. Quite           Adjective           indeed.

They were... untill           Proper Noun          , the king of them all,

Decided the           Pronoun           he ruled was too small.

"I'm ruler", said Yertle, "of all that I see.

But I don't see enough. That's the           Noun           with me.

With this stone for a throne, I look down on my pond

But I           Adverb           look down on the places beyond.

This throne that I sit on is too, too low down.

It ought to be higher!" he said with a frown.

"If I could sit           Proper Noun          , how much greater I'd be!

What a king! I'd be ruler of all that I see!"
