Dr5esden went to the movies "If you're a Adjective Adjective geek, single, no children, then your interest in early childhood development is quite low. So many of our entries on early childhood development are quite weak, because it's just not part of their life experience. This Verb - Present ends in S one of the reasons we value diversity. It's not just political correctness. It Adverb affects the quality of the content," Wales said.

One study found that entries on award-winning male novelists had deeper, broader coverage than those by their female counterparts.
