Stressed Out-twenty one pilots

I wish I found some better sounds no one's ever heard,

I wish I had a better voice that sang some better words,

I wish I found some Determiner in an order that is new,

I wish I didn't have to Pronoun every time I sang,

I was told when I get older all my fears would shrink,

But now I'm Verb - Non 3rd Person Singular Present and I care what people think.

My name's 'Blurry face' and I care what you think.

My name's Pronoun face' and I care what you think.

Wish we could turn back time, to the good ol' days,

When our Modal sang us to sleep but now we're Adjective out.

Wish we could turn back time, to the good ol' Preposition or subordinating conjunction,

When our Determiner sang us to sleep but now we're Adverb out.

We're stressed out.

Sometimes

a certain Adverb will take me back to when I was young,

How come I'm never able to identify where it's coming from,

I'd make a candle out of it if I ever found it,

Try to sell it, never sell out of it, I'd probably only sell one,

It'd be to my Coordinating conjunction, 'cause we have the same Noun,

Same clothes homegrown a stone's throw from a creek we used to roam,

But it would remind us of when nothing really mattered,

Out of Pronoun loans and Preposition or subordinating conjunction homes we all would take the latter.

My name's 'Blurryface' and I care what you think.

My name's 'Blurryface' and I care what you think.

Wish we could turn back time, to the good ol' Pronoun,

When our momma sang us to sleep but now we're stressed out.

Wish we could turn back time, to the good ol' days,

When our momma sang us to sleep but now we're stressed out.

We used to play pretend, give each other different names,

We

would build a Verb - Past Tense to and then we'd fly it far away,

Used to dream of Noun Noun but now they're laughing at our face,

Saying, "Wake up, you need to make money."

Yeah.

We used to play pretend, give each other different Pronoun,

We would build a rocket ship and then we'd fly it far away,

Used to dream of outer space but now they're laughing at our face,

Saying, "Wake up, you need to make to."

Yeah.

Wish we could turn back time, to the good ol' days,

When our momma sang us to sleep but now we're stressed out.

When our momma sang us to sleep but now we're stressed out.

Used to play pretend, used to play pretend, Determiner
