Uneasy rider

" _____ Adjective Rider"

I was takin a trip out to _____ Location ..

Toolin along in my _____ type of vehicle

Tokin on a _____ Noun and _____ Verb - Present ends in ING on the radio

Just as I crossed the _____ State line

I heard that highway start to _____ Verb - Base Form

And I knew that left rear _____ Noun was about to blow

Well the spare was _____ Adjective and I got uptight

Cause there wasn't a _____ Adjective _____ Noun in sight

So I just _____ Verb - Past Tense on down the shoulder on the _____ Noun

I went as far as I could and when I stopped the _____ Noun

It was right in front of this _____ Adjective _____ Noun

Kind of a red-neck lookin _____ Noun called the Dew Drop Inn

I

stuffed my Part of Body up under my Noun

And told the Profession that I had a flat

And would he be Adjective enough to give me change for a Number

There was one thing I was sure Adjective to see

There wasn't a soul in the place except for him and me

He just looked Adjective and pointed toward the Noun

I called up the Location down the road a ways

He said he wasn't very Adjective today

And he could have someone out there in just about Number minutes or so

He said, "Now, you just stay right where yer at!"

And I didn't bother to tell the Adjective Noun

That I sure as Noun didn't have anyplace else to go

I just ordered up a liquid and sat down at the bar

When some guy Verb - Past Tense in and said, "Who owns this Noun

With the peace sign, the mag wheels and the Number on the floor?"

He looked at me and I damn near Verb - Past Tense

And I decided that I'd just Verb - Base Form outside

So I laid a unit of cash on the bar and headed for the Part of a building

Just when I thought I'd get outta there with my Part of Body

These Number big dudes come strollin in

With one old drunk Noun and some fella with Color teeth

I was almost to the door when the Adjective - Ends in EST one

Said, "You tip your Noun to this Noun, son!"

And when I did, all that hair fell out from underneath

Now the last thing I wanted was to get into a fight

In Jackson State on a Day of the week night

Especially when there was Number of them and only Number of me

They all started Verb - Present ends in ING and I felt kinda Adjective

And I knew I better think of something pretty quick

So I just reached out and Verb - Past Tense old green teeth right in the Part of Body

Now he let out a yell that'd curl yer Part of Body

But before he could move I grabbed me a Noun

And said "Now watch him Folks cause he's a Adverb Adjective Noun!"

"You may not know it but this man is a Noun.

He's a Adjective agent for the Three random letters

And he's been sent down here to infiltrate the Name of Organization !"

He was still bent over holdin on to his Part of Body

But everybody else was Verb - Present ends in ING and Verb - Present ends in ING to me

And I laid it on Adjective ends in -er and Adjective ends in -er as I went

I said, "Would you believe this Noun has gone as far

As tearing Wallace stickers off the Car part - plural of cars.

And he voted for Full Name of a Person for Profession."

"Well, he's a friend of them long Part of Body, hippy-type, pinko Noun - Plural!"

I betchya he's even got a Adjective flag

tacked up on the wall inside of his Type of Building."

"He's a Animal in the grass, I tell ya guys.

He may look Adjective but that's just a disguise,

He's a Profession in the ways of espionage"

They all started lookin real Adjective at him

And he jumped up and said "Now just wait a minute Jim!

You know he's Verb - Present ends in ING I been living here all of my life!"

"I'm a faithful follower of Brother Full Name of a Person

And I belong to the Name of Organization .

And I ain't even got a Type of Building, you can call home and ask my Relative!"

Then he started saying somethin bout the way I was dressed

But I didn't wait around to hear the rest

I was too busy moving and hoping I didn't run outta luck

When I hit the ground I was making Noun - Plural

And they were just taking my Noun down off the Noun - Plural

So I threw the man a Number and jumped in and fired that Noun up

_____ Full Name of a Person wouldda sure been proud

Of the way I was movin when I passed that crowd

Coming out the _____ Part of a building and headed toward me at a trot

And I guess I should of gone ahead and run

But somehow I just couldn't resist the fun

Of chasing them all just once around the _____ Location

Well they headed for their car, but i hit the _____ liquid

And spun around and headed them off at the _____ Noun

I was slinging _____ material and putting a ton of _____ Noun - Plural in the air

I had them all out there steppin and _____ Verb - Present ends in ING

Like their _____ Part of body - Plural was on fire and their _____ Part of body - Plural was catchin

then I figgered I had better go ahead and split before the _____ Profession - plural got there

When I hit the road I was really wheelin

Had _____ Noun flyin and _____ Noun squeelin

And I didn't slow down till I was almost to _____ State

I think I'm gonna reroute my trip

I wonder if anybody'd think I'd flipped
