This group is said to have enough [plural noun] to last for years to come.

According to [name], they are also working on a cure for the virus that is infecting the people and turning them into zombies. Tomorrow, we will test our [verb ending with -ing], [verb ending with -ing], and [verb ending with -ing] skills by making the [number] mile trek through [state] and [state]. I look forward to seeing more [plural noun] where we are headed. I hope your [adjective] is heading there too. To prepare for the trip, I've made sure to pack my favorite [noun] and [color] [noun] since these two objects are my only [adjective] possessions. I'll also be sure to pack basic supplies like [noun] and my most trusted weapon, the [noun]. Thankfully, [name] has given me this activity book to help prepare me for the trip ahead. The book looks [\_\_\_\_\_ Adjective \_\_\_\_\_] and [\_\_\_\_\_ Adjective \_\_\_\_\_] but it will do.
