# THE DAY YOUR LIFE CHANGED

One day, you bought a bowl of Ramen from a pedophile named           First name          . You ate it and it tasted like           Noun          . You barfed all over           Adjective          Plural noun          . Their moms chased you around with           Plural noun          . When           Superhero or villain           saw this, (s)he came to save you. You held on to           Superhero or villain           leg as (s)he flew away to Pony Land. When you got there, you rented a pony. You took it back to           Planet           and ate some more Ramen. You didnt throw up this time since your mom           Past                     tense verb           in it. You took your pony to your best friend's           Location          . Your best friend got jealous and killed you with an umbrella, leaving your corpse in your pony's           Body part          . When you reached heaven,           First name           kicked you in the butt and sent you to hell. You got a new pony named           First name          . You lived with your new pony forever and died after you ate some more Ramen.
