Hey, Adam, have you seen \_\_\_\_\_  
Hey, Adam, have you seen \_\_\_\_\_? It certainly wasn't any \_\_\_\_\_, but I still liked it a lot  
and wanted to hear your thoughts on it. \_\_\_\_\_ 's performance was really \_\_\_\_\_,  
especially in the scene where \_\_\_\_\_ a(n) \_\_\_\_\_ in \_\_\_\_\_.  
I could have done without the \_\_\_\_\_, but the ending where \_\_\_\_\_  
\_\_\_\_\_ himself with \_\_\_\_\_ definitely made up for it.

I really hope you make a Thoughts On video about it! But don't be negative, because I don't want to change my  
opinions :)
