Navy Seals

What the fuk did you just fukin say about me, you little Verb? I'll have you know I graduated top of my class in the Proper Noun, and I've been involved in numerous secret raids on Noun, and I have over 300 confirmed Verb - Present ends in S. I am trained in Adjective warfare and I'm the top Noun in the entire US armed forces. You are nothing to me but just another Noun. I will wipe you the fuk out with Noun of which has never been seen before on this Noun, mark my fukin words. You think you can get away with saying that crap to me over the Noun? Think again, Adverb - Comparative. As we speak I am contacting my secret network of Noun - Plural across the USA and your IP is being traced right now so you better prepare for the storm, Noun. The storm that wipes out the pathetic little thing you call your Noun. You're fracking dead, Noun. I can be anywhere, anytime, and I can Verb you in over seven hundred ways, and that's just with my crap.
