# How the Mr. Met the Soon to be Mrs.

Betsy and I met the traditional way, \_\_\_\_\_ Verb - Present Tense \_\_\_\_\_ Noun to be specific. I really liked that she liked to spend time \_\_\_\_\_ Noun - Plural and had a \_\_\_\_\_ Noun. She even had a \_\_\_\_\_ Noun. Our first date was at \_\_\_\_\_ Location \_\_\_\_\_ Location we had \_\_\_\_\_ Adjective pizza and talked for hours. Betsy spent a lot of time talking about her \_\_\_\_\_ Noun and \_\_\_\_\_ Noun and things she liked to do. At one point, she even said, and I quote " \_\_\_\_\_ Proper Noun \_\_\_\_\_ Pronoun \_\_\_\_\_ Adverb \_\_\_\_\_ Adjective ???" Indeed she is.

Our first kiss was right before I left for \_\_\_\_\_ Location for a few weeks. The kiss happened at \_\_\_\_\_ Location on our third or fourth date. I found out later she thought I kissed like a \_\_\_\_\_ Adjective \_\_\_\_\_ Noun \_\_\_\_\_ Noun. I left for \_\_\_\_\_ Location, and she went to \_\_\_\_\_ Location, so we didn't actually see each other again for another \_\_\_\_\_ Number weeks. I assume she was going on lots of \_\_\_\_\_ Noun - Plural during the time I was in \_\_\_\_\_ Location, as some nights I didn't hear anything from her, other nights, I heard from her a lot, and she even \_\_\_\_\_ Verb - Past Tense me to take my first \_\_\_\_\_ Noun.

Betsy and I got engaged the day before our \_\_\_\_\_ Event \_\_\_\_\_ Event. I knew she would expect it on our big dinner date for our actual \_\_\_\_\_ Event, so I had to catch her off guard. Also, I get really \_\_\_\_\_ Adjective so I didn't just want to sit there at dinner all night anticipating it. I knew if I wanted to \_\_\_\_\_ Verb her, I had to catch her off guard. While Betsy was busy preparing for an \_\_\_\_\_ Adjective journey to \_\_\_\_\_ Location to return stuff, and no doubt do more \_\_\_\_\_ Noun, I decided that would be the best time. While she was busy trying

to \_\_\_\_\_Verb\_\_\_\_\_ through the doorway with all of her returns, I \_\_\_\_\_Verb - Past Tense\_\_\_\_\_ the opportunity. I got  
down on one knee and said " \_\_\_\_\_Proper Noun\_\_\_\_\_!" Out of habit she \_\_\_\_\_Verb - Past Tense\_\_\_\_\_ me, so I said it again.  
This time she turned around. Mission accomplished. And I didn't even have to go to \_\_\_\_\_Location\_\_\_\_\_!
