## Literacy Works' Tribute to Literacenter

Since Literacy Works began 20 years ago, our <u>Adjective</u> staff members have been working out of our home offices. While this has worked for our team, we have often thought about how - <u>Adjective</u> and <u>Adjective</u> it would be if we had a place to come together to work, learn, and <u>Verb Base Form</u>. And then along came the Literacenter, <u>Adverb</u> making our dream come true! When we first toured this place, we said -one word <u>consecuted exclanation</u> !-- and -one <u>one-word exclanation</u> exclamation! We realized that we would have the chance to -verb- with such <u>Adjective</u> organizations as Open Books and Working in the Schools. Plus, the amenities are great. We'll have full use of the <u>Noon</u>, along with meeting and event space. And, did you see the scooters? When we need to <u>Verb Base Form</u>, we can do it super fast! The staff at the Literacenter are -adverb-<u>Adjective</u> far into the future. By then, we probably will have trained about -really high number- volunteers and professionals to work with adults to improve their literacy skills.

Thank you for -verb <u>Verb - Present ends in ING</u> in ing- with us in our new space! We are -adjective- to have you here.
