A Day at The Edge

At 10:00am <u>Noun</u> class started. Ikkan was ready to learn about <u>Noun - Plural</u>, but Haruka wanted to learn about <u>Noun - Plural</u>. Ikkan said he was interested in the solar system's orbit and the moon and Mitchell agreed. However, Haruka said that simple machines were much more <u>Adjective</u> and Melvin agreed. They had to settle the disagreement somehow. They decided to play a game of <u>Adjective</u> trivia. The winner would get to choose what they would learn about.

 First, they were asked about _________. Then, they were asked about states of __________. Noun_______. Ikkan thought

 he knew them all, but he forgot about _________. When a question about balancing equations came up,

 Haruka eagerly raised her ________. Body Part______ and got the point! However, Mitchell got all the questions about

 ________. Noun - Plural______ right. Then, Melvin answered all the questions about the weather. It was a __________. Adjective

 battle.

At the end of the day, it ended in a tie! They decided to learn about both the ______ and

______Noun - Plural _____. This way, they would learn what they wanted to know and learn more!
