## Orchard

Brandon, Kayla, and their friends were <u>verberPresent code in TNG</u> a trip to an apple orchard for later in the month of October 2011. They wanted to pick <u>Finit</u>, climb trees, and <u>verberBase Form</u> cider. Everyone figured that a Sunday later in the month would work, since the group usually met up on Sundays to watch their favorite TV show: <u>First Name of a Person</u> <u>Full Name of a Person</u>. However, when the day finally arrived to go to the orchard <u>Noune Plural</u> came in by the dozens. Everyone had cancelled on the trip except for Brandon and Kayla. Not wanting to miss out on fun fall <u>Noune Plural</u>, they decided to still go to the orchard. They had never spent much time together by themselves; this could be a good <u>Noun</u>! And it was. They spent the afternoon at the orchard; Kayla got the apples, Brandon got the cider, they <u>Verb Part Trave</u> all the trees that they could and spent the day telling each other stories.
