## **ACH Customer Service**

| On July 28th, Number David received a phone call from Bill at Proper Noun Proper Noun -                    |
|------------------------------------------------------------------------------------------------------------|
| Plural Bill sent us a on July proper Noun and was wondering if it was processed?                           |
| David asked Bill for his id and was provided USAIRWAY1. The file was 25,256                                |
| 252.30 and it was verb - Past Participle in the Noun When David verb - Past Tense the file he              |
| saw that it was rejected because the transactions in the file did not account numbers. When                |
| Proper Noun heard this he got mad and said "how can this be?" I verb the account numbers in                |
| myself. David advised Bill that he will need to the file with the correct information and send it          |
| again. Bill was because he was trying to pay the ACH complex research team for providing                   |
| him service the last time he called in. Bill was verb - Past Participle that the team would                |
| not get their funds but said thank you do David for all the help. Later Bill entered the again and         |
| sent a new total of 35,256,236.34 to the team members of ACH Complex Research so that they could all enjoy |
| an early                                                                                                   |
