My First Day

My first day at NSLIJ I Verb - Past Tense	into the office with my	Part of Body	Verb - Present		
ends in ING Jess came over with a big					
Noun - Plural would grow over the	Time Period my stomach s	started to	resting Sound . I		
swear my heart started to! The meetings were and taught me more about the					
organization. Although my part of Body always verb - Past Tense in anticipation if my					
Noun was good enough, Jess was always there to verb me throughout it all. Thank you to					
everyone who made my at NSLIJ an at one!
