# The Blame Game

Tony had a thing that he Noun. One day First Name of a Person came over to Noun and Tony got called by Full Name of a Person Location. While he was Adjective name one Noun over the thing and saw it Adjective like thing. Tony returned and name one name one said that thing belonged to Full Name of a Person and Full Name of a Person stole it and that made Tony a Adjective because of name three. Tony said that was not Adverb and why should he be Adjective for another person's Adjective. Do you think this is right?
