# Harem Dixon and the Lake

Once upon a time there were three young travellers. Their names were \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ and Harem Dixon. They went, along with their lovely families to Lake \_\_\_\_\_ in \_\_\_\_\_.

This lake was surrounded by \_\_\_\_\_ trees and in the very middle was a mystical island - \_\_\_\_\_ island. One sunny morning the trio decided to go on a \_\_\_\_\_ adventure and jump into their \_\_\_\_\_ boat to row out to the island. Harem Dixon took the oars while \_\_\_\_\_ of person one packed provisions of \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_. \_\_\_\_\_ had the responsibility of keeping morale in the \_\_\_\_\_ group up and so sang the entire back catalogue of \_\_\_\_\_.

As they made their merry way over the lake, Harem Dixon's arms began to cramp. \_\_\_\_\_! She cried and fainted right there in the boat. \_\_\_\_\_ was a \_\_\_\_\_ and feeble rower so there was no chance and \_\_\_\_\_ was no risk-taker. "Back to land" was the only cry heard and they were forced to turn back to land. The three consoled themselves by humorously leaping from the jetty in the style of their favourite comedians: \_\_\_\_\_ & \_\_\_\_\_.

They thought that was enough for the day but Harem Dixon had other ideas. While the group were enjoying a lunch of \_\_\_\_\_ and \_\_\_\_\_, she snuck off to the boat and made her way back to \_\_\_\_\_ Island. The \_\_\_\_\_ water was choppier than before and she became entangled in a \_\_\_\_\_. The \_\_\_\_\_ boat couldn't take it and flipped over. Harem struggled in the foamy \_\_\_\_\_ and gasped

for Noun. One of the seniors of the group noticed and leapt away from the Noun picnic. They ran like Baywatch star to the lake and at the speed of Noun were at the boat, hauling it back to safety.

Harem Dixon arrived at the shore spluttering but in Adjective spirits and before long, the reunited three were laughing away. After all, it was just another Cereal adventure.
