# Testing the Technology

This is a test. Hopefully this \_\_\_\_\_ Noun \_\_\_\_\_ will allow us to create MadLib-like stories, and provide a  
\_\_\_\_\_ Adjective \_\_\_\_\_ address where they can be accessed later. \_\_\_\_\_ Adjective \_\_\_\_\_ is not always our friend, but  
without it, we could not have online learning, so many of you would not be able to study at GC. So, let's  
celebrate technology today and \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ that this works!
