**How to make dessert**

If you want to make a cake all you need is some \_\_\_\_\_  
and butter.

Put a couple tuna \_\_\_\_\_ in a little bowl, then stir until it looks completely mixed.

Take another bowl and put milk, \_\_\_\_\_, beetroot and some \_\_\_\_\_ together. when you have gotten a solid dough, put everything on fire for about 10 minutes.

When the time is up, let it cool down and add the root beer, you may \_\_\_\_\_ as much as you want , it depends on how big you want your cake.

\_\_\_\_\_ again all the final mixture, it might look \_\_\_\_\_, but you just keep going. There is a little twist in this recipe, and it is actually the secret ingredient. Take 3 \_\_\_\_\_. smash them on the floor and when you see they are \_\_\_\_\_ torn-down take them to the mixture you had before.

Finally, mold your cake as you wish. Leave it in the \_\_\_\_\_ for a week and you will get the \_\_\_\_\_ cake ever.

Enjoy
