# What I Think Is There

I have never been to \_\_\_\_\_, but I imagine that in \_\_\_\_\_ there must be a lot of \_\_\_\_\_.

This is because I saw them on TV. These are useful for \_\_\_\_\_ and \_\_\_\_\_.

We shouldn't \_\_\_\_\_ them. In this country there must also be some \_\_\_\_\_, at least more than what there are in Japan. There must also be more \_\_\_\_\_ than what is in Japan. As for food, well on TV I also saw that this place serves a lot of \_\_\_\_\_, and I also heard that they serve \_\_\_\_\_. The people there like to \_\_\_\_\_ in the morning and \_\_\_\_\_ after lunch. The \_\_\_\_\_ there are \_\_\_\_\_ and \_\_\_\_\_. I see in pictures some \_\_\_\_\_ out there in the streets. And the parks there have more \_\_\_\_\_ than what there are in Japan. Another thing that is there that is not in Japan, are the \_\_\_\_\_. I have also heard that you can \_\_\_\_\_ there, and when it gets dark you can also \_\_\_\_\_. As for the shops, there seems to be more \_\_\_\_\_ there than what there is in Japan. I would like to buy some \_\_\_\_\_ if I go there. The \_\_\_\_\_ there all seem \_\_\_\_\_, so I think I would become \_\_\_\_\_ there, too. It is \_\_\_\_\_ from here, and it might take \_\_\_\_\_ hours to \_\_\_\_\_ there. I think there malls must be \_\_\_\_\_ and their schools \_\_\_\_\_. I wonder what their students are like.
