John and His Zebra

John was a _____ man. He was from the country of _____, and he had an _____ pet. His pet brought a lot of _____ to him and was constantly being asked "What does he eat?" and "How did you get him". John always replied with _____ and _____ with a little _____ the side, and he said he got the zebra from Ebay. This zebra did eventually bring John his future _____. Him and his _____ loved long zebra rides on the _____ in the heat of the day, 2 p.m. The zebra got lonely, so John got zebra a friend, a hippo. The hippo did not bring him much _____, but was a _____ animal. Then John got in a wreck and both of his animals were in the car. Both animals died.
