Morning routine for school

To start of your day, you need to first get your Part of Body out of bed. I know it can be Verb -
Base Form at times but I believe you can do it. Then you got to Verb - Base Form yourself to the
Place where you sit on the Noun for Number Time like minutes, hours, years, centuries and
brush your teeth for another Number Time like minutes, hours, years, centuries. If you want you can skip
bath but I do not recommend doing that. You might Adjective in class! Do not forget your bag, lunchbox,
water Noun and your brains before going to school. There you go, that is your Adjective that ends
with ?ing morning routine
