American Girl

Well, she was an American Noun

Raised on Noun - Plural

She couldn't help Verb - Present ends in ING

That there was a little more to Noun somewhere else

After all it was a great Adjective Noun

With lots of Noun - Plural to run to

And if she had to Verb - Base Form tryin' she

She had one little Noun she was gonna keep

O exclamation, exclamation

Take it Adjective, baby

Make it last all Noun

She was an American Noun

Well it was kind of Adjective that night,

She stood Adjective on her balcony

Yeah, she could hear the Noun - Plural roll by,

Out on 441 like waves Verb - Present ends in ING on the Proper Noun

And

for one Adjective moment

There he Verb - Past Tense back in her memory

God it's so Adjective when something that's so close

Is still so far out of Noun

O exclamation, exclamation

Take it Adjective, baby

Make it last all Noun

She was an American Noun
