1.	Proper Noun
2.	First Name Of A Person
3.	Noun
4.	Part Of Body

## When I was in a meeting

It is a normal Tuesday, where we have meetings in the conference room. Proper Noun was leading the
meeting, as be always does, when First Name of a Person entered the room. He was talking about how
computers need to be installed with the following:,,, and monitor. All the
people in the room were amazed, when they were told it needs to be done by Friday.
