# My Airplane Horror Story

"I have been a \_\_\_\_\_ Adjective traveler all my life and on a flight back in \_\_\_\_\_ time of year, we just couldn't seem to get the right \_\_\_\_\_ Noun for the first \_\_\_\_\_ Number - \_\_\_\_\_ Number \_\_\_\_\_ period of time.

Furthermore, with my \_\_\_\_\_ Verb - Present ends in ING experience in both \_\_\_\_\_ Noun and \_\_\_\_\_ Noun areas, I noticed we were over \_\_\_\_\_ Location too long on a flight that should have headed \_\_\_\_\_ Adverb over the

\_\_\_\_\_ Location for its journey to the \_\_\_\_\_ Location. To top it all off, I was stuck next to a \_\_\_\_\_ Number

year old \_\_\_\_\_ person eg toddler named \_\_\_\_\_ First Name of a Person who would not stop \_\_\_\_\_ Verb - Present ends in

\_\_\_\_\_ ING his \_\_\_\_\_ Noun. Only then, after \_\_\_\_\_ Number minutes or so, the captain \_\_\_\_\_ Verb - Past Tense

that we were having a \_\_\_\_\_ Noun and the plane could not \_\_\_\_\_ Verb - Base Form. He 'thought' it was because

one of the \_\_\_\_\_ Noun - Plural was not \_\_\_\_\_ Adjective properly, but had to \_\_\_\_\_ Verb - Base Form with the

ground crew and the home office in \_\_\_\_\_ Location to discuss this emergency. I continued to notice we were

\_\_\_\_\_ Verb - Present ends in ING and \_\_\_\_\_ Verb - Present ends in ING fuel for a potential eventful landing back at the

airport we started more than \_\_\_\_\_ Number. \_\_\_\_\_ period of time earlier.

"We landed \_\_\_\_\_ Adjective as the plane obviously had more \_\_\_\_\_ Noun than was intended, yet it had to

leave enough onboard for a touch and go. Upon landing we were first told this could be taken care of -- while we

\_\_\_\_\_ Verb - Past Tense in our seats, mind you. I \_\_\_\_\_ Verb - Past Tense. Eventually we were allowed

\_\_\_\_\_ Preposition the plane and told to \_\_\_\_\_ Verb - Base Form personal effects aboard as we would

\_\_\_\_\_ Verb - Base Form in a matter of \_\_\_\_\_ period of time. Finally a new plane was rolled up to an adjacent gate

for

our trip down. I've been \_\_\_\_\_ Verb - Present ends in ING all my life and this is the first time I've ever been  
\_\_\_\_\_ Adjective to do so. Realizing the plane could basically \_\_\_\_\_ Verb - Base Form up because of it not being  
pressurized, I found it a bit much. I truly believe many of the passengers onboard didn't know either what was  
\_\_\_\_\_ Verb - Present ends in ING or how \_\_\_\_\_ Adjective the situation was. Not only did I fly down to my  
destination, I was given a \_\_\_\_\_ Adjective roundtrip ticket to fly anywhere the airline flies and I have a trip  
planned very \_\_\_\_\_ Adverb."
