Jimmy's Story

"I said to you I bought ten cookies not nine!" Said Jimmy. "I'm Sorry Jimmy, I work too much and it's hard to remember stuff." Said Megan. "Then write it down and put it somewhere." said Jimmy. "Okay, I will." Said Megan. Jimmy then went to Walmart and saw an old friend. "Hey, it's been forever since we last saw each other." Said Jimmy. "I know right." Said Caleb. "You still have a girlfriend?" Jimmy said laughing. "No, she broke up with my two months ago, but she was so boring as a girlfriend to be honest." said Caleb. Jimmy and Caleb both started to laugh. "Well I can get you a better one if you want, if she will take you that is." Proper Noun said trying to hide his laughter. "I mean if she does then I will make her love me by trying to make her laugh." Said Caleb. "Caleb, we both know you are not funny." Later Jimmy went home to his wife who was happy to see him. "Jimmy! Guess what!" said Jimmy's wife with a huge grin. "What?" said Jimmy with curiosity. "I'm pregnant with quadruplets, two boys and two girls!" said Jimmy's wife. "That's great!" said Jimmy with excitement. In Jimmy's mind he was thinking "Nooo!!! I don't want four kids at once, this will be a terrible life. Ten months later, Jimmy is at the hospital with his wife. "I can't wait till I see my kids." said Jimmy's wife. "I can't wait either." said Jimmy. The doctor is coming into the room. "Okay I need you to step back please, this takes time, okay?" the doctor said. "Okay" Jimmy said stepping back. Five hours later at the house. "How many kids are we gonna have entirely?" said Jimmy. "I don't know, but if we have more kids we will have to move." said Jimmy's wife laughing. Later that year Jimmy met Caleb again but he was not alone. "Hey Caleb, who's this?" said Jimmy. "It's my girlfriend I got two or three months ago." said Caleb. "Hello Caleb's girlfriend, what's your name?" said Jimmy. "My name is Jocelyn, nice to meet you Jimmy." said Jocelyn happy. "Has Caleb made you

laugh yet?" said Jimmy. "No, unfortunately." said Jocelyn. "Caleb, I told you that you couldn't make a girl laugh
." said Jimmy laughing. Jimmy later went home to rest. Later on Jimmy learned to love life, even though he
tripped like a million times a year, but he focused on the good side with his wife and four kids.
