'Cause you don't want a Noun

And I Verb, and I same verb, and I same verb

Persons name gives you Noun - Plural,

But, Persons name, I couldn't give it to you

And I Verb, and I same verb, and I same verb

That you got Noun - Plural,

But I got nothing here without you

So one Adjective Noun

I need to be the Noun who takes you to- a location

At least just temporarily

I know that this is my fault

I need to be the one who takes you home

One more time

I promise, after that I'll let you go

Baby, I don't care if you got her in your heart

All I really care is you wake up in my arms

One last time

I need to be the one who takes you home (la li he)

I know I should've fought it

At least I'm being honest (yeah)

But stay with me a minute

I swear I'll make it worth it, babe

'Cause I don't wanna be without you

(Oh

So one last time

I need to be the one who takes you home (who takes you home, babe)

One more time

I promise, after that I'll let you go

Baby, I don't care if you got her in your heart

All I really care is you wake up in my arms (wake up in my arms)

One last time

I need to be the one who takes you home (yeah)
