# Wrong Turn

The movie begins with two college students, \_\_\_\_\_FemaleFour\_\_\_\_\_ and \_\_\_\_\_MaleFour\_\_\_\_\_, who are rock climbing in the West Virginia Forest. \_\_\_\_\_MaleFour\_\_\_\_\_ reaches the top, and looks at the view, while \_\_\_\_\_FemaleFour\_\_\_\_\_ continues to climb. \_\_\_\_\_FemaleFour\_\_\_\_\_ starts to struggle and falls, but her climbing line catches her. She calls for \_\_\_\_\_MaleFour\_\_\_\_\_ to pull her up to the top of the cliff, but he doesn't respond. She sees \_\_\_\_\_MaleFour\_\_\_\_\_, lying dead, and then his body is thrown off the cliff. Then, someone starts to pull \_\_\_\_\_FemaleFour\_\_\_\_\_ up the cliff by her climbing line. She cuts the line and falls, landing on \_\_\_\_\_MaleFour\_\_\_\_\_ dead body. She manages to escape, and sees the trees moving and eerie laughs are heard. \_\_\_\_\_FemaleFour\_\_\_\_\_ almost reaches her car, but she trips over a piece of barbed wire, and is pulled back into the woods by an unseen force, screaming.

\_\_\_\_\_MaleOne\_\_\_\_\_ \_\_\_\_\_MaleOneLastName\_\_\_\_\_, a medical student, is driving through the mountains of West Virginia on his way to a job interview. Due to a chemical spill in the road ahead, he is forced to take a different route. He stops at an old rundown gas station and meets an old man. The old man gives him directions to the other route, then shows \_\_\_\_\_MaleOne\_\_\_\_\_ a map detailing where to go. \_\_\_\_\_MaleOne\_\_\_\_\_ takes the dirt road and drives off. As \_\_\_\_\_MaleOne\_\_\_\_\_ is driving, his car begins to lose control and crashes into a Range Rover stranded in the middle of the road. The car belongs to a group of friends on a hiking trip: \_\_\_\_\_FemaleOne\_\_\_\_\_, \_\_\_\_\_FemaleTwo\_\_\_\_\_, her fianc \_\_\_\_\_MaleTwo\_\_\_\_\_, and a couple, \_\_\_\_\_MaleThree\_\_\_\_\_ and \_\_\_\_\_FemaleThree\_\_\_\_\_. \_\_\_\_\_FemaleOne\_\_\_\_\_ find a piece of barbed wire in the woods that was tied to a tree across the road after their tires were punctured.

\_\_\_\_\_FemaleOne\_\_\_\_\_, \_\_\_\_\_FemaleTwo\_\_\_\_\_, and \_\_\_\_\_MaleTwo\_\_\_\_\_ go to the woods to find help. \_\_\_\_\_MaleOne\_\_\_\_\_

joins

them, while \_\_\_\_\_<sup>MaleThree</sup> and \_\_\_\_\_<sup>FemaleThree</sup> stay with the cars. After \_\_\_\_\_<sup>MaleThree</sup> and \_\_\_\_\_<sup>FemaleThree</sup> partake in a round of oral sex, \_\_\_\_\_<sup>MaleThree</sup> starts to fix their car, while \_\_\_\_\_<sup>FemaleThree</sup> gets in \_\_\_\_\_<sup>MaleOne</sup> car. While \_\_\_\_\_<sup>MaleThree</sup> is fixing the car, he hears a sound from the woods and goes to investigate.

After a while, \_\_\_\_\_<sup>FemaleThree</sup> notices that he is missing, and she goes into the woods to look for him. As \_\_\_\_\_<sup>FemaleThree</sup> ventures further into the woods, she finds his sneaker and gasps as she finds \_\_\_\_\_<sup>MaleThree</sup> severed ear. As \_\_\_\_\_<sup>FemaleThree</sup> stumbles back, a figure wraps barbed wire around her mouth, tearing it open. As \_\_\_\_\_<sup>MaleOne</sup>, \_\_\_\_\_<sup>FemaleOne</sup>, \_\_\_\_\_<sup>FemaleTwo</sup> and \_\_\_\_\_<sup>MaleTwo</sup> try to find help, they find an isolated cabin. They go into the cabin and discover miscellaneous objects: barbed wire, car keys, odds and ends, and human body parts on the refrigerator and in the bathroom. They are horrified and try to escape, but they hear the occupants coming back and are forced to hide. Three cannibalistic mountain men, all whom are disfigured, enter the cabin and bring in \_\_\_\_\_<sup>FemaleThree</sup> dead body. \_\_\_\_\_<sup>MaleOne</sup>, \_\_\_\_\_<sup>FemaleOne</sup>, \_\_\_\_\_<sup>FemaleTwo</sup> and \_\_\_\_\_<sup>MaleTwo</sup> silently watch in horror, as her body is butchered and partially eaten.

As the cannibals fall asleep, the friends walk silently and reach the door. \_\_\_\_\_<sup>MaleOne</sup> holds the door open so \_\_\_\_\_<sup>FemaleOne</sup>, \_\_\_\_\_<sup>FemaleTwo</sup> and \_\_\_\_\_<sup>MaleThree</sup> can get out safely. As \_\_\_\_\_<sup>MaleOne</sup> keeps the door open, he checks the cannibals to make sure they are still sleeping. Unfortunately, "Saw-Tooth" awakes and

\_\_\_\_\_ MaleOne \_\_\_\_\_ runs. \_\_\_\_\_ FemaleOne \_\_\_\_\_ notices this, and she, \_\_\_\_\_ FemaleTwo \_\_\_\_\_, and \_\_\_\_\_ MaleTwo \_\_\_\_\_ run quickly with him. "Saw-Tooth" alerts the other cannibals and begins to chase them. The group hides in a clearing with many cars, which they realize are the cars of the mutants' victims. \_\_\_\_\_ MaleOne \_\_\_\_\_ makes a diversion and is shot in the leg with a shotgun. \_\_\_\_\_ MaleTwo \_\_\_\_\_ saves him by using himself as a decoy, allowing \_\_\_\_\_ FemaleOne \_\_\_\_\_ and \_\_\_\_\_ FemaleTwo \_\_\_\_\_ to steal one of the cannibals' trucks. \_\_\_\_\_ MaleOne \_\_\_\_\_ gets into the truck, and they try to find \_\_\_\_\_ MaleTwo \_\_\_\_\_. \_\_\_\_\_ FemaleTwo \_\_\_\_\_ sees \_\_\_\_\_ MaleTwo \_\_\_\_\_ in the forest. As \_\_\_\_\_ MaleTwo \_\_\_\_\_ starts to get in the truck, he is shot three times in the back with arrows. The arrow almost hits the others, and \_\_\_\_\_ MaleOne \_\_\_\_\_ forces \_\_\_\_\_ FemaleTwo \_\_\_\_\_ to drive and escape fast. The cannibals pick up \_\_\_\_\_ MaleTwo \_\_\_\_\_ dead body and take it back to their cabin.

\_\_\_\_\_ MaleOne \_\_\_\_\_, \_\_\_\_\_ FemaleOne \_\_\_\_\_ and \_\_\_\_\_ FemaleTwo \_\_\_\_\_ hit a dead end in the road and have to continue on foot, but \_\_\_\_\_ FemaleTwo \_\_\_\_\_ stays and is still depressed from \_\_\_\_\_ MaleTwo \_\_\_\_\_ loss. \_\_\_\_\_ FemaleOne \_\_\_\_\_ and \_\_\_\_\_ MaleOne \_\_\_\_\_ comfort her and they continue to walk. They find an old watchtower and begin to climb up, and find a radio and use it to call for help, but do not get a response. They see the cannibals, who are armed with torches and reaching the foot of the watchtower. The radio starts responding their call, alerting the cannibals. The cannibals shoot and destroy the radio through the window. After the cannibals climb the ladder and get into the watchtower, they set it on fire. \_\_\_\_\_ MaleOne \_\_\_\_\_, \_\_\_\_\_ FemaleTwo \_\_\_\_\_ and \_\_\_\_\_ FemaleOne \_\_\_\_\_ escape by jumping out of the window into a nearby tree. They begin to climb up, but "Three Finger" has already climbed up the tree before them. \_\_\_\_\_ MaleOne \_\_\_\_\_ and \_\_\_\_\_ FemaleOne \_\_\_\_\_ begin to climb higher as \_\_\_\_\_ FemaleTwo \_\_\_\_\_ rests.

\_\_\_\_\_ MaleOne \_\_\_\_\_ and \_\_\_\_\_ FemaleOne \_\_\_\_\_ make it to the other tree, but unfortunately "Three Finger" sneaks up behind \_\_\_\_\_ FemaleTwo \_\_\_\_\_ and slices her head in half with an axe and her body falls through the trees, as \_\_\_\_\_ MaleOne \_\_\_\_\_ and \_\_\_\_\_ FemaleOne \_\_\_\_\_ watch in horror. They escape from the cannibals and hide in a cave near a waterfall until the next morning. \_\_\_\_\_ FemaleOne \_\_\_\_\_ wakes up from a nightmare, as \_\_\_\_\_ MaleOne \_\_\_\_\_ comforts her. Just as they find a road out of the woods, the mountain men find them and push \_\_\_\_\_ MaleOne \_\_\_\_\_ down the hill and capture \_\_\_\_\_ FemaleOne \_\_\_\_\_ and take her back to their cabin. \_\_\_\_\_ MaleOne \_\_\_\_\_ survives the fall and meets a sheriff, but before he is able to convince the Sheriff of what is happening, the Sheriff is killed by an arrow in his eye from the woods. \_\_\_\_\_ MaleOne \_\_\_\_\_ jumps into the police truck and tries to drive away, but cannot find the keys. \_\_\_\_\_ MaleOne \_\_\_\_\_ hides and watches as the cannibal loads up the Sheriff's body into the truck and drives it back to the cabin. \_\_\_\_\_ MaleOne \_\_\_\_\_ hitches along by hanging onto the underside of their truck.

When the cannibals arrive at the cabin, \_\_\_\_\_ FemaleOne \_\_\_\_\_ is tied to a bed and gagged with a dog leash, crying. As she is about to get killed, \_\_\_\_\_ MaleOne \_\_\_\_\_, driving the police truck, drives through the cabin and into "One-Eye". \_\_\_\_\_ MaleOne \_\_\_\_\_ unties \_\_\_\_\_ FemaleOne \_\_\_\_\_, and \_\_\_\_\_ FemaleOne \_\_\_\_\_ shoots "Saw-Tooth" in the back with an arrow. She and \_\_\_\_\_ MaleOne \_\_\_\_\_ also fight "Three Finger", and finish him off by hitting him with an axe.

\_\_\_\_\_ MaleOne \_\_\_\_\_ and \_\_\_\_\_ FemaleOne \_\_\_\_\_ notice that the cannibals are still alive, and they quickly go outside.

\_\_\_\_\_ MaleOne \_\_\_\_\_ has only one shotgun shell left, which he shoots at the truck, blowing up the cabin with the cannibals still inside. \_\_\_\_\_ MaleOne \_\_\_\_\_ and \_\_\_\_\_ FemaleTwo \_\_\_\_\_, driving the cannibals' truck, stop back at the gas station. \_\_\_\_\_ MaleOne \_\_\_\_\_, badly injured, gets out of the truck and destroys the map to the cannibals' cabin, so no

one

will ever go into the woods again. \_\_\_\_\_<sup>MaleOne</sup> gets back into the truck, as \_\_\_\_\_<sup>FemaleOne</sup> drives for the woods, and the credits roll.

The credits are interrupted by a scene showing a deputy sheriff investigating and picking over the remains of the destroyed cabin. Unfortunately, "Three Finger", who survived from the explosion, comes up behind the deputy and kills him. The scene fades to black and insane laughter is heard, as the credits continue to roll.
