

Packing

1. Adjective
-

Packing

They packed the car.

They got snacks.

They got cozy.

They were ready for their seven hour drive.

Before the ignition was turned on, the mother stopped and spoke to the children. "We all want a _____ Adjective trip to Disneyland. It is a long drive. We will not tolerate any whining, or complaining, or arguing. Understand?" (Nodding heads)

"If there is whining, complaining or arguing, we will turn this car around and drive back
