# Sink Into Me

He stepped between my \_\_\_\_\_, pushing them open. My \_\_\_\_\_ still  
\_\_\_\_\_ a little harder the first moment he saw me completely exposed. The nearest  
\_\_\_\_\_ across the floor as he brought it back to the head of the table and sat down.  
I was his feast, spread out for the \_\_\_\_\_. He didn't waste time touching or \_\_\_\_\_  
\_\_\_\_\_, but we often didn't have time for that. He cupped my \_\_\_\_\_ in both  
\_\_\_\_\_, his \_\_\_\_\_ keeping me open to him, and lifted me up. I flattened  
my \_\_\_\_\_ against the table and held my breath as he licked the length of my \_\_\_\_\_  
\_\_\_\_\_.

My toes brushed his \_\_\_\_\_ and I splayed my \_\_\_\_\_ wider. He sucked on my  
\_\_\_\_\_, kneading my \_\_\_\_\_. He'd surprised me the first time he'd \_\_\_\_\_  
\_\_\_\_\_ me in both places, introducing me to a new realm of \_\_\_\_\_ fantasy. It was easy to  
imagine this moment happening in a movie. Just thinking about what we were doing and where was so hot I  
almost came from the \_\_\_\_\_ picture alone. \_\_\_\_\_ put me down and grabbed my  
\_\_\_\_\_, tugging me upright.

"Huh?" I blinked at him, a little lust crazed. He dug in his \_\_\_\_\_ for his \_\_\_\_\_ and slapped it on  
the table before kicking off his pants and underwear. I flipped it open and took out the condom he'd placed there  
this

morning -- just in case. So far we'd needed all of his Adjective condoms. I tore the packet open but he took the bit of latex from me before I could roll it on him and did it himself. He pulled me to the edge of the table and Verb - Past Tense into me. I Verb - Past Tense and gripped the edge as my Part of the Body stretched to accommodate him. The feel of him was growing more familiar. He leaned over me, forcing me back almost to my Part of the Body - Plural and thrust, Verb - Present ends in ING fully into me.
