## **Sanctuary**

Alpena is proud to be the home of the nation's only Marine Sanctuary. Thunder Bay National
Marine Sanctuary protects a historically collection of shipwrecks resting on the bottom of Lake
Huron. The Wrecks tell the story of on the Great Lakes and the growth and development of our
nation. Sea-worthy storms, shoals, and unfortunate collisions throughout the Shipwreck
Century created a grave of more than shipwrecks on the lake's cold water and
createand mysterious snorkel or dive experience. There are also many dry-land opportunities
to experience more that 100 years of history.
