Your 2013 Tumblr Description

Hello, my name is _____ Noun _____, but you can call me _____ Nickname _____ . _____ Phrase or Quote _____ !

_____ Number _____ gender / _____ First half of word in another language _____ sexual / Radical Feminist / Otherkin

My assigned name was _____ Your Name _____, but my current one lets me truly express how I feel about myself. I

am kin with _____ Animal _____ and _____ Celebrity or Fictional Character _____, my pronouns are _____ same animal as last time _____

self or _____ same character or celebrity as last time _____ self . I am very passionate about _____ unpopular religion or cult _____, which

has affected my life greatly. I have a side blog about that called _____ swear word that ends in ING _____ Type of _____

identity such as a race or sexuality _____ boys which I have the link in my FAQ.

My triggers are _____ Noun _____, _____ Noun - Plural _____, _____ Verb - Present ends in ING _____, and _____ Noun - Plural _____ . If

you show me pictures or mention these words then I am allowed to get _____ negative emotion _____ and it's not my

fault if you send me these! I also believe that _____ An Identity _____ is just a social concept, so if any of you bring

that up then I might get _____ negative emotion _____ at that as well.

I truly believe that I was truly meant to be born as a _____ Race _____ person. I am so educated on the country's

culture. I only watch Tv shows and dress in clothes from that country, and if I get called anything else, then it

will trigger me to get angry and my _____ mental disorder _____ will kick in and I will go _____ negative emotion _____ !

I am a part of the _____ TV show _____, _____ TV show _____, and _____ TV show _____ fandom! I totally ship

_____ a male character _____ and _____ a male character _____ ! And if you don't then you're obviously a homophobe!

_____ a way to say Goodbye _____, heehee!
