4Chan's message to raid tumblr

Hello members of 4chan!

It has occurred to me that Tumblr still has feminists, _____ *Alternative Fashion - plural* _____, _____ *Alternative Fashion - plural* _____,
and _____ *Alternative Fashion - plural* _____ all over their website! Even though they didn't do anything, it still makes me
upset !

Tumblr has:

- stolen our meme; _____ *a meme* _____, and changed his name to _____ *Adjective* _____ *Animal* _____
- Pronounces Doge like Doh _____ *random noise - must start with G* _____ which is wrong
- and probably more

So I have decided that we should RAID Tumblr to scare all these _____ *slur - plural* _____ and feminazis away!

We will fill different tags with pictures of _____ *Noun* _____, _____ *a kink or type of pornography* _____, erotic pictures of
_____ *Noun - Plural* _____, and chopped up _____ *Noun - Plural* _____ !

Here

are the tags we will raid!

This will probably do something maybe! Bye 4Chan! Hope you do the raid!
