Unit 3

A time of Adjective treatment in modern European history, the French Revolution began in 1789 and ended in the late 1790s. During this time, French citizens destroyed and redesigned their country's government, changing centuries-old governments such as absolute monarchy and the feudal system. Like the American Revolution before it, the French Revolution was influenced by Proper Noun Noun - Plural, Adjective Noun and Adjective Noun - Plural. Even though, it failed to achieve all of its goals and at times it became a chaotic time of death, the movement played a huge role in shaping nations by showing the world the power in the will of the people.
