# The French Revolution

This was the first step to a \_\_\_\_\_ Noun France. People start to question why \_\_\_\_\_ Noun is so unequal.

The French \_\_\_\_\_ Noun was spending more money than it brought in, national \_\_\_\_\_ Adjective skyrockets.

King Louis XVI cared way more about \_\_\_\_\_ Verb - Present ends in ING large than serious economic matters, he

wont stand up to the first and second estates. The Estates General screamed for \_\_\_\_\_ Adjective \_\_\_\_\_ Noun,

freedom of the \_\_\_\_\_ Noun, and allowing them to meet regularly. The \_\_\_\_\_ Noun lasts 10 years. The

estates order, 1st, 2nd and 3rd, is changed. \_\_\_\_\_ Noun spreads fast.
